CONTEMPORARY PAINTING, PHOTOGRAPHY, PRINTS, & SCULPTURE

## Message from the Founder:

January 2011 marks the 20th anniversary of the Ralls Collection, serving the Greater Washington, D.C. area as well as our international clients.

It is with great pleasure that I ask you to please save the date, **January 12<sup>th</sup> 2011, for the 20th Anniversary celebration of the Ralls Collection**. We will be celebrating with our clients, artists, and wonderful staff who over the past 20 years have supported our mission, values and the vision for the Ralls Collection.

Below you will find an opportunity to join us this August 5<sup>th</sup> – 8<sup>th</sup> in Aspen, Colorado for the first annual fine art fair. In June 2010 record auction highs were set for about 230 contemporary artists, at \$100,000 and up. If your investment portfolio has suffered during these uncertain times, follow our upcoming art market tips and decide for yourself where you want to invest.
